REVISION 2

Planning | Surveying | Engineering | Environmental

**PLAN OF RENTABLE AREA**  
**Lot 22 DP 519482**

PREPARED FOR: **To: Rays Gateway Ltd**

SCALE: **1:250**

DATE:

**25/01/2019**

I, **Jonathan Dwyer**, Licensed Cadastral Surveyor of the Province of Canterbury, have examined the information provided to me and hereby certify that the information has been obtained in my professional capacity and that the information is true and correct to the best of my knowledge and belief.

**Jonathan Dwyer**

Canterbury, New Zealand

Generally, all structural columns are included in the structure areas.

The method used in determining the rentable area is that recommended in the RMA/2016 Code, for the measurement of the area of a building or structure, unless otherwise specified.
